## **WELCOME TO THE SPRING MUSIC CONCERT!**

The *Cherry Hill East Music Boosters, Inc* is a 501(c)(3) non-profit charity. We are proud to play a supporting role in tonight's concert.

**Why Join and/or donate?** The cost to run this extraordinary Music Department exceeds the funds allocated by the Cherry Hill school budget. Without the Music Boosters, basic needs such as concert required music instruments, instrument repairs, replacement of defective music stands, microphones, soundboards, music lockers, music workshops, support when our students perform offsite, and even things as simple as making sure there are enough copies of sheet music, would not happen.

At Cherry Hill High School East, we have over 500 music students. Every dollar that we collect goes directly to the benefit and support of our music students.

We also record the concerts, run the live broadcasts, and maintain the video library for those that want to relive the moment and for those who may not be able to attend the live performances. We provide these videos so that you can watch the concert instead of missing it while you are trying to record it on your mobile phone.

As we have done in the past, instead of asking our families to support a multitude of bake sales, dine-out nights, and car washes, we are asking you to purchase a booster membership and/or make a donation. Our basic memberships start at just \$25. There are different levels available and we encourage you to select the one that works best for your family.

There will be volunteers waiting outside the auditorium before and after tonight's concert to assist you in becoming a member or making a donation. Or, you can do so anytime at [www.EastMusicBoosters.org](http://www.EastMusicBoosters.org).

**Why Volunteer?** What we do goes well beyond raising money. To help our students, we need volunteer help for the many programs and services that we provide throughout the year. We encourage you to find a project that you are passionate about and become a booster volunteer, today!

Thank you for taking part in your children's lives. We hope that you enjoy tonight's concert.
