**EAST COFFEE HOUSE 2022** was organized and hosted by East Singers with proceeds benefiting Project HEAL. The evening included entertainment on the East stage, craft activities, and of course coffee and sweets! The event raised \$2110 and allowed our East students to use their talents to better their community.

**STAY TUNED** participated in the Highlands A Cappella Festival where they were able to perform alongside other high school a cappella groups from all over the state and beyond. The day also included workshops with the professional a cappella group, Black to Gold.

**OUT OF THE BLUE**, an a cappella group from Oxford Univ. (England) did an in-person workshop with our entire choir department and choir members from Rosa. It was a great opportunity to experience the world of a cappella where our students not only experienced an energetic performance by this well-known group but also worked with them to create their own performance.
