WHY WE TEACH MUSIC:

Not because we expect you to major in music.
Not because we expect you to sing or play all your life.
Not so you can relax.

But...

So you will be human

So you will recognize beauty

So you will be sensitive

So you will be closer to an infinite beyond this world

So you will have something to cling to

**So you will have more love, more compassion, more gentleness, more good
In short, more life.**
